

CT14™

DECT™ 6.0 CORDLESS HEADSET PHONE

Free your hands for multi-tasking

Enjoy convenience and mobility with crystal-clear sound while working at your home or small office with the Plantronics CT14 cordless headset phone. This hands-free cordless phone transforms your office environment by providing you with freedom of mobility, superior sound, and all-day comfort.

- **Interference-free wireless.** Voice-dedicated DECT 6.0 wireless technology provides uncompromising sound and limits interference from wireless networks and home appliances.
- **Talk up a storm.** Single-line analog phone has up to 10 hours of talk time and includes features like Caller ID, one-touch voice mail access, mute and volume control.
- **Hands-free convenience.** Ultra-compact “take with you” dial pad features an integrated belt/clothing clip.
- **Long-range mobility.** Work outside, pour a cup of coffee—with a range of up to 300 feet these activities won’t interfere with important calls.
- **Superior sound.** Position flexible mouthpiece where you want it and reduce unwanted background noise with the noise-canceling microphone.
- **Choice of wearing styles.** Sleek and comfortable, the headset can be worn over-the-ear or over-the-head.
